Outdoor Gear With a Greater Cause**

**CONSIGNMENT POLICY**

Mountain Equipment Recyclers (MER) staff members decide which items are eligible for consignment. Selling price is determined by Mountain Equipment Recyclers. The consignment fee structure is 50%-50% up to \$250. From \$250 - \$500 it is 60% to consignor and above \$500 is 70%.

After you deliver the items, please allow a few days for pricing. You will receive an itemized email from the store after the items are priced. Please contact the store at 719-210-6427 if you have any questions. Email servers sometimes block these emails assuming they are spam, please double check the junk folder.

If we do not accept some of your items after initial intake, the store will hold them for you to pick up for 7 days. After 7 days, the items will be donated to a thrift store. Items not accepted will not be on your itemized receipt which will prompt you to pick up.

The store displays inventory year round at the discretion of the MER staff. Clothing will be discounted at 25% after 30 days, 50% after 60 days, and donated to a thrift store after 90 days. Hard good gear will be discounted at the discretion of MER staff. 00124608
